

Good Afternoon DSOD Parents and Families,

Our online classes begin TOMORROW MORNING, March 23rd! We hope that each one of our students are ready to take advantage of this program. Our teaching staff will be holding ALL classes and you will be able to access these through www.danastudio.com.

Some of the staff have completed their classes for the week and some will have them uploaded when it's time for your actual class. Feel free to check and see if your child's class is already uploaded! These classes will be available to you for 90 days to watch as many times as your dancer would like. Viewing will be unlimited! We are also working on setting up more "interactive" virtual teaching for your dancers so be on the lookout for that coming as well.

When your child is ready to take class, we ask that you encourage them to continue to put on their dancewear and use the correct shoes for each style just as they normally would. This will keep them focused on the task and facilitate a much better result! Ultimately, the goal is to continue on just as we would have at our studio. You are also welcome to take along with your child if you want...make it fun!

To access your child's classes:

- Go to www.danastudio.com
- Click on the "Online Classes" tab and choose your location, or-
- If you are a Southlake student, click here: <https://danastudio.com/southlake-online-classes-2/>
- *Please note that if you take classes with us at your preschool, you will be considered a Southlake Student!*
- If you are a Keller student, click here: <https://danastudio.com/keller-online-classes/>
- If you are a Coppell student, click here: <https://danastudio.com/coppell-online-classes/>

Once you are in the appropriate location:

- Locate your teacher's list of classes and click on your dancer's class day and time.
- To access the video, you will put in the password "dsod". All lowercase.

If you have an Apple TV or Roku, you can access our classes through these as well and watch on any TV!

- **Download the app "Boxcast"**
- **Search for "Dana's Studio of Dance"**
- **Open and find your class**

This option may be more favorable for some of you! Unfortunately, it is not as organized as the website.

All Dance Company Students:

You will be sent a separate email for your password for your classes!!

We are so excited to offer this new platform to all of our Dana's Studio of Dance family! We appreciate our students and are so grateful to be able to continue to provide your child's dance education. If you have any questions or have any concerns and would like feedback from your teacher, please email dsod@dsodance.com! We will be ready to answer your questions and put you in touch with your teacher, if needed. Like we mentioned above we are still planning on some interactive training with the teacher as well so be on the lookout for that.

Dana's Studio of Dance thanks you for your support during this uncertain time and we look forward to seeing you all soon...but for now we will see you all on THE VIRTUAL DANCE FLOOR!
