

Keller Dress Code

Students at DSOD are required to wear specific dancewear. This uniform look creates a professional atmosphere of learning and gives the class a feel of togetherness, similar to a sports team, where everyone is working together for a common goal. The dancewear that has been selected will enable the dancers to move freely and allow the instructor to see body alignment and positioning. The last week of each month is “free dress week.” Except for ballet classes, the students may dress in any appropriate dance attire.

Hair: Should be out of the dancer’s face for ALL classes and in a bun or snood for all Ballet classes.
